ISSUE #001

FEBRUARY
2025

A CALL TO ACTION

I extend greetings to you in the Mighty name of our Lord Jesus Christ, the Author and Finisher of our faith who has called us all into His Vineyard as joint heirs of His kingdom. I warmly welcome you into the month of February, in the year 2025, which is our year of Double glory. I pray that the glory of God is made manifest in our individual lives, in our Church and in our nation in this month and beyond.

In this month of February, which is the second month of the year, I will like to encourage you all to rise up to all your responsibilities to God Almighty, His Church and humanity as a whole. This is because this year, by divine guidance, has been tagged our year of double glory with reference to Isaiah 61 vs 7. To manifest glory at all, and then, double portion of the glory, there

FROM THE OFFICE OF HIS GRACE, SPIRITUAL FATHER

HIS GRACE, PROPHET DR. E. A. ADEWALE ALOGBO (JP) FNACN

are responsibilities to take and duties to perform.

Man is formed in God's image, and because God is clothed in glory, we are intrinsically laced and wired with great elements of divine glory. We are duty bound therefore, to launch ourselves, with the help of the Holy Spirit, into the mainstream of efforts that will bring out this innate and inherent measures of divine glory that we possess so that we can radiate this glory for the world to behold so that the world can come to our light and glorify our father, who reigns in glory in heaven.

The bible in 1st Kings 6:1 says *“And it came to pass in the four hundred and eightieth year after the children of Israel were come out of the land of Egypt, in the fourth year of Solomon's reign over Israel, in the month Zif, which is the second month, that he began to build the house of the LORD.* Taking a cue from this, if there is any time to embark on concerted efforts of working towards the fulfilment of the corporate objectives and the set goals of the Church for the year, it is now.

You will recall that **BEULAH PROJECT**, which is the blueprint of what the Church under my administration has targeted to achieve, was launched in the course of the last Conference

of the Church in November, 2024. I urge you therefore to do all in your capacity to support the Beulah projects so that our Church can witness growth and developments in greater proportion, for the glory of God, which will in turn be made manifest in us. In like manner, I urge you all to strive towards excellence in all your individual endeavors so that you can multiply your productivities for double portions of rewards and glory.

Above all, as Seraphs, remember always that you are not just Ambassadors of the C & S Movement Church on earth, but ultimately, you are Ambassadors of the heavenly Cherubs who guard and radiate the glory of God, as well as Ambassadors of the heavenly Seraphs who are burning lights that hover around the throne of God (Isaiah 6:2). By this implication, we are the glory of God on earth, hence, we must continue to do all in our power to radiate this glory and exhibit their holiness. We must therefore make sure we eschew anything that can bring reproach to the Church and the name of God of C & S.

I pray that God continue to show his glory through the church and inspire us all to reflect that glory.

God keep and be with you all. Shalom!

FROM THE DESK OF THE SECRETARY GENERAL

EVANGELICAL COUNCIL

Seraphs of today have been admonished to follow in the footsteps of Saint Moses Orimolade Tunolase, the Founder of the Church by moving from one Community to the other to evangelise and spread the gospel of Jesus Christ without minding material or worldly gains.

This charge was made by Prophet Cherub Obadare while speaking at the 2025 edition of "A Night of Total

Freedom" anchored by the Evangelical Ministry of the Cherubim and Seraphim Movement Church, Worldwide Ayo Ni o, held at the International Headquarters of the Church, Galilee Land, Oyo State recently.

He enjoined all Ministers of God to go about winning souls for God's kingdom without segregation. "The five fold ministries must work hand in hand which will foster greater works of signs and wonders which will continue to propagate Christ mandate here on earth" he opined.

"All Ministers must be focused in any office which God had called you to operate in the fold so as to fulfill the task and purpose for mankind " Obadare added.

The programme featured prayer session led by the Conference Supervising Pastor, Pastor Fola Onafoye while the Conference Supervising Prophet, Prophet Joel Adeniran administered the springing of water on the congregation.

Present at this year's programme were His Grace Aladura Prophet Dr

Emmanuel Abiodun Adewale Alogbo JP FCANM, the Spiritual Father of the Church who is witnessing the programme in this capacity for the first time as well as the Secretary General of the Church, Snr Sp Ap Pro Anthony Olusesan Samaye JP, Most Snr Sp Ap Kunle Alonge, Supervising Teacher, Sp Ap Barr Babatunde Oisamoje, the Director of Missions, Sp Ap Pastor Ademola Popoola, the Immediate past Conference Supervising Evangelist, Sp Ap Michael Adeshina and all the Secretaries at the international headquarters, Administration, Spiritual, Protocol, and Women Affairs.

In his words, the Conference Supervising Evangelist, Sp Ap Amos Ajayi, charged all attendees to go all out and make their impact felt in the propagation of the word of God adding that they should not just adorn the insignia of office and sit in their various Churches.

This year's programme had in attendance the Prophets and the Evangelists in-training who were at Galilee for a refresher course in preparation for their Ordinations in 2025 and 2027.

TWO-DAY POWERED CRUSADE/REVIVAL AT AJINAPA

The Evangelical in Council of the C&S MC Worldwide organized a two-day power packed open air crusade/revival on the 15th and 16th January 2025 at the C&SMC Church site, Ajinapa near Tewure town, a suburb of Galilee.

It was the first programme of the Council and National Conference for the year 2025.

The Crusade/Revival was in line with the rural Evangelism embarked upon by the Council few years ago.

It was also designed to prepare all Evangelists for the yearly

programme tagged "A NIGHT OF TOTAL FREEDOM" - a vigil of prayers and supplications, which comes up every third Friday in January.

The theme for this year's was "Chain broken, glory revealed" (Act-16: 24-26).

Speakers at the two-day crusade spoke of the darkness in the world today and that people can only overpower it when in Christ noting that Paul and Silas were chained and thrown into the prison for exposing the works of the darkness.

However, a miracle happened in the midnight as their chains were broken and the miracle gave them opportunity to win more souls for Christ - revealing the mightiness and glory of God.

They exhorted believers to remain fervent in Christ and not allow the prevalent situations in the country to distract them.

The programme served as an avenue to expose Evangelists in training to practical evangelism.

Evangelists (ordained and in training) from about fifteen Districts including Secretary Spiritual, Sp Apo Dapo Agboola attended the Crusade/Revival.

EMBRACING CHANGE: THE KEY TO LASTING SUCCESS - KING SAMBA SPIRIT

In the late 1990s, a group of entrepreneurs approached a leading movie rental company with a groundbreaking idea. They proposed a partnership to introduce a new technology that would allow customers to stream movies over the internet—eliminating the need to visit physical rental stores. Confident in their dominance, the company declined the offer, stating, "We're the leaders in our field. We know what we're doing." Undeterred, the entrepreneurs pursued their vision independently. They launched their own company—Netflix.

Today, Netflix is a global streaming giant, while the once-dominant rental company has been virtually erased from the industry.

This story serves as a powerful reminder: past success is not a guarantee of future relevance. Holding on to old ways, refusing to evolve, and resisting change can lead to stagnation—or worse, obsolescence.

To thrive, both individuals and businesses must remain open to change. We must embrace innovation, leverage modern technology, and position ourselves for the future. As Hebrews 1:1 reminds us, "God, who at various times and in various ways spoke in time past...", is a dynamic God. He

moves, He leads, and He brings new opportunities.

Joel Osteen wisely puts it: "What happens is, because we're not willing to change, we get stuck in what God used to do instead of moving forward into what God is about to do."

So, don't just sit back and assume success will last forever. Stay open, be adaptable, and embrace the next move of God in your life and business. The future belongs to those willing to evolve.
