JUNE
2026

His Most Eminence Speech for the Month of June

HIS MOST EMINENCE PROPHET DR. EMMANUEL ABIODUN ADEWALE ALOGBO JP, FNACM, DDM

Chairman & Spiritual Father, CSMC WORLDWIDE AYO NI O

Beloved brethren in Christ, I bring you warm greetings in the precious name of our Lord and Saviour Jesus Christ. We give all glory, honour, and adoration to Almighty God for preserving our lives and granting us the privilege to witness another month. The Lord has been faithful to us as individuals, families, and as a Church, and for this we return all praise unto His Holy Name.

As we enter the month of June, I pray that the mercy, favour, and protection of God shall continually abide with every member of the Cherubim and Seraphim Movement Church Worldwide Ayo Ni O. The Lord shall strengthen the weak, comfort the troubled, heal the sick, and provide for those in need. "The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore" (Psalm 121:8).

At this time, our nation continues to face various security challenges which have brought fear, pain, and uncertainty to many homes. We must not cease to pray for Nigeria. Let us continually seek the face of God concerning our land, that He may grant wisdom to our leaders, peace to our communities, and safety to all citizens. We pray for divine intervention in every troubled part of the country and ask God to frustrate every plan of evil men.

Our hearts and prayers are especially with all children who are in captivity, separated from their families, or

exposed to danger and hardship. We pray that the Almighty God, who delivered Peter from prison and Israel from bondage, will bring speedy deliverance to every child in captivity and reunite them safely with their loved ones. We also commit all children into God's hands, praying that He will preserve them from harm and guide them in the path of righteousness.

We pray for all teachers, educational workers, parents, and caregivers who labour daily for the growth and development of our children. May the Lord strengthen them, protect them, and reward their sacrifices. We equally pray for all workers, traders, professionals, artisans, and citizens across the nation, that God will keep them safe in all their endeavours and grant them success.

I also wish to appreciate the name of the Lord for the successful conclusion of the 19th Convention of the International Youth Fellowship. We thank God for His presence throughout the convention, for the lives that were touched, and for the spiritual blessings received. We also thank God for the successful launch of the IYF Mobile Application, a landmark achievement that will further strengthen communication, fellowship, and engagement among our youths across the globe.

My prayer is that God will continue to uphold the leadership and members of the International Youth Fellowship. May He grant our youths wisdom, understanding, spiritual growth, and the grace to remain steadfast in the faith. May they continue to be shining examples and worthy ambassadors of Christ and the Church.

As we look forward to the forthcoming Teachers Convention, I pray that the Lord will grant journey mercies to all participants from various locations. May the convention be filled with divine wisdom, fruitful deliberations, spiritual upliftment, and meaningful resolutions that will contribute positively to the growth of the Church and the development of our children. May God crown the entire programme with success and grant all attendees a rewarding experience. Beloved brethren, these are times when we must draw closer to God in prayer and remain watchful. The Scripture admonishes us to "Watch and pray" (Matthew 26:41). Let us remain vigilant, security conscious, and prayerful at all times. Let us encourage one another, support one another, and continue to trust in God, whose protection never fails.

As you go through this month, may the Lord be your shield and defence. May He preserve you and your household from every evil. May His favour speak for you, His peace rest upon you, and His mercy continually surround you.

The grace of our Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you all.

God bless you all.

C H R I S T I A N ASSOCIATION OF NIGERIA (CAN) DIRECTIVES ON INSECURITY AND SOLIDARITY ACTION PLANS FOR VARIOUS KIDNAPPINGS AND ABDUCTIONS

The **Christian Association of Nigeria (CAN)** has directed and declared **Three-Days of Prayers and Mourning** to hold from **12th – 14th June, 2026**, aimed at seeking divine intervention concerning the growing insecurity, persistent violence, and loss of innocent lives across our nation.

By the express directive of **His Most Eminence, Prophet (Dr.) Emmanuel**

Abiodun Adewale Alogbo, JP, FNACM, DDM, GCOMS, all Churches, Districts, Parishes/Model Churches, Ministries, Fellowships, and members of the Conference are expected to participate fully in this important spiritual exercise.

Attention is drawn to **Sunday, 14th June 2026**, in particular wherein all our churches, parishes and Districts shall observe Sunday June 14th, 2026 as **BLACK SUNDAY**.

Members are encouraged to wear black attire, or black ribbons, or other appropriate symbols of solidarity as we unite in prayer for peace, security, justice, and divine healing for our nation in and around our church premises with placards showing our discontent with the current so are of insecurity, release of abducted Oyo school children, and immediate end to all forms of terrorism in the country.

Furthermore, peaceful prayer rallies shall be organized and coordinated by Church leaders, District Chairmen, and Ministers within their respective jurisdictions.

As a Church, we cannot remain indifferent to the pains and challenges confronting our nation. We

therefore call upon all members to dedicate this period to earnest prayers for:

- The restoration of peace and security throughout Nigeria.
- Divine protection over our communities, families, and places of worship.
- Comfort for families affected by violence and insecurity.
- Wisdom, courage, and integrity for government and security agencies.
- National unity, justice, healing, and restoration.
- The preservation of lives and property across the country.

I especially urge all members to remain vigilant, security-conscious, and prayerful at all times. While we place our confidence in God's unfailing protection, we must also exercise wisdom and caution in our daily activities.

As the Holy Scriptures declare:

“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.” —

2 Chronicles 7:14

Let us therefore rise together in faith and

intercession, trusting God to deliver Nigeria from insecurity, bloodshed, violence, kidnapping, and every form of unrest, and to establish lasting peace, progress, and prosperity throughout the land.

OUR CHARGE FOR THE MONTH

Beloved brethren, the Lord has been gracious unto us. Therefore, let us:

- Remain steadfast in faith and prayer.
- Participate actively in all Church programmes and activities.
- Continue to promote peace, unity, and love within the Church.
- Support the work of evangelism and soul winning.
- Demonstrate Christ-like character in our daily conduct.
- Remain vigilant, security-conscious, and prayerful.
- Trust God completely for His guidance, protection, and provision.

Let us remember that the future belongs to those who remain faithful to God. No matter the challenges around us, God's mercy remains sufficient, His promises remain sure, and His grace remains abundant.

CONCLUSION

As we embrace the opportunities and

responsibilities of this new month, may the Almighty God grant us wisdom, strength, divine protection, and uncommon breakthroughs.

As we continue to seek God's face concerning our nation, may the Lord arise and scatter every force working against the peace, unity, and progress of Nigeria. May He preserve His Church, protect His people, and grant our nation enduring peace and stability. May His mercy continually speak for us and for our beloved country. May June 2026 bring joy where there has been sorrow, strength where there has been weakness, hope where there has been despair, and testimonies where there have been expectations.

May the peace of God continually abide with His Church, and may His name alone be glorified in all that we do.

Welcome to Your Month of Divine Grace, Fresh Strength, Divine Preservation, and Abundant Testimonies.

LET'S TALK WITH KING SAMBA SPIRIT

ARGUMENTS IN MARRIAGE AND RELATIONSHIPS

Many people think a good marriage or relationship is one without arguments. The truth is that two different people cannot live together without disagreements. Arguments are normal. What matters is not whether you argue, but how you handle the argument.

Most arguments do not start because of big issues. They often begin with small things, such as lack of communication, unmet expectations, stress, financial pressure, misunderstanding, or feeling ignored. What starts as a small disagreement can become a serious fight when emotions take over.

During an argument, people often focus on winning instead of understanding each other. They bring up old mistakes, use hurtful words, raise their voices, or stop listening completely. Unfortunately, even when the argument ends, the wounds from those words may remain for a long time.

A healthy argument is not about proving who is right. It is about finding out what went wrong and working together to make things better. Sometimes one person may be right, but if the relationship is damaged in the process, nobody truly wins.

It is important to listen before responding. Many people listen only to reply, not to

understand. When your partner is speaking, pay attention to their feelings, not just their words. Sometimes what they need is not a solution but understanding.

Avoid making decisions when emotions are high. If the conversation is becoming heated, it is okay to take some time to calm down and continue later. A few minutes of patience can prevent days of regret.

Also, learn to apologize when. An apology does not always mean you are completely wrong. Sometimes it means you value peace and the relationship more than your pride.

No marriage or relationship becomes stronger because people never disagree. It becomes stronger because they learn how to disagree without disrespecting each other. Love is not tested when everything is going well. Love is tested during difficult moments, when both people choose respect, patience, and understanding over anger and pride.

At the end of the day, remember that in a relationship, it should never be "you against me." It should always be "us against the problem."
